

**Team Gaúcho 2008 September Month of
Prayer
Porto Alegre, Brazil
Stronghold: Witchcraft**

“Put on the full armor of God so that you can take your stand against the devil’s schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.” —Ephesians 6:11-12

The city of Porto Alegre is one of the most prosperous cities in all of South America. However, this city has a dark side. Porto Alegre is a major hub for spiritist worship and has more witchcraft worship centers than any other place in Brazil. Voodoo-like witchcraft practices are common among all social classes and ethnic groups. Please pray for the people of Porto Alegre who are trapped in the darkness of witchcraft.

Pray that the forces of evil would be bound and unable to deceive the minds of urban Gaúchos. Pray that the minds of urban Gaúchos would be opened to understand the truth of the gospel so that they may be saved.

Pray that God would pour our His Holy Spirit in great measure and that many churches would be started and a massive host of Gaúchos would be saved in the next few years.
